HOW TO ATTACH THE CARRIER WAISTBELT

1. Remove the carrier from the baby.
2. Place the waistbelt through the loops on the carrier.
3. Ensure the waistbelt is snugly fitted.

INFORMATION:
- The waistbelt should be adjusted to the baby's size.
- Ensure the carrier is secure before use.

CARE INSTRUCTIONS
- Machine washable.
- Air dry only.
- Do not iron.

SAFE USE:
- Always use the carrier according to the manufacturer's instructions.
- Ensure the baby is secured in the carrier properly.
- Never leave the carrier unattended.

NOTES:
- The carrier should be used by parents or caregivers who are familiar with its use.
- Always read the instruction manual before using the carrier.
